

8000DY Operator Chair

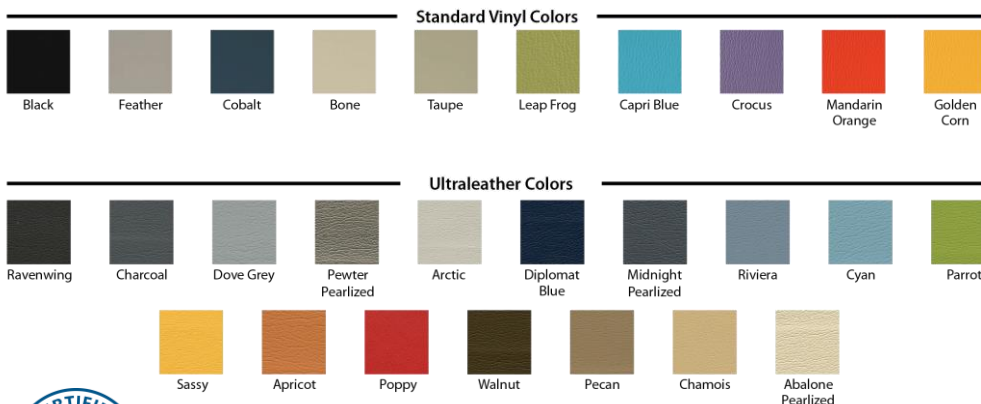

The sleek styling and finely detailed specifications make our 8000DY chair a true front-runner in the industry. The 8000DY chair is designed with the operator in mind and constructed with a cast aluminum base and back with a reinforced steel seat frame. With a quiet and smooth hydraulic operation the chair is comfortable, easy to use and virtually maintenance free.

FEATURES:

- Hydraulic Base and Back
- 60° Horizontal Swivel Base
- Auto Return Function
- One Programmable Pre-Position
- Side Chair Touch Pads
- Swivel Armrests
- Double Articulating Headrest
